

GradRoutes Guernsey: Homegrown Futures Event

22 December 2025 – 4:45-6:45pm

Join us in person for GradRoutes Guernsey: Homegrown Futures, an informal event showcasing the wide range of career opportunities for graduates in Guernsey if they choose to return after their studies.

A representative from each of the digital sector, the creative sector, the finance sector, the public sector, the construction sector, the legal sector and the HR sector will give a short elevator pitch on what it is like to work in their industry, and the pathways that are available to graduates.

Chat with friends, enjoy a Chefan burger and a drink, and find out more about the sectors that interest you.

Whether you're a recent graduate, currently studying off island, or just curious about what's next, come learn, connect and get inspired.

Book your place at <https://www.eventbrite.co.uk/e/gradroutes-guernsey-homegrown-futures-event-free-to-attend-tickets-1976187244245?aff=oddtcreator>
